

# ERGONOMIC SAFETY SOLUTIONS

**ErgoSafeDesk**

**Our ErgoSafeDesk allows workers to easily alternate between seated and standing positions throughout the work day.**

- Moving the table is intuitive with the easy-to-use up/down control with four position memory.
- The quiet motors housed in each of the table's legs ensure a quick, smooth transition in positions.
- The sturdy ErgoSafeDesk frame accommodates a variety of different tabletop widths to make retrofitting the table for new users and areas very economical.
- The durable open frame design provides optimal knee clearance and space for storage.

**Simple, Intuitive, Affordable...**
